

English Language Arts 10 COURSE OUTLINE

Overview:

This course has two parts: New Media & Spoken Language

New Media 10 is a program of studies designed to reflect the changing role of technology in today's society and the increasing importance of digital media in communicating and exchanging ideas. New Media 10 recognizes that digital literacy is an essential characteristic of the educated citizen

Spoken language skills are increasingly necessary in everyday, educational, and professional contexts. Spoken Language 10 provides opportunities for students individually and collaboratively to study, create, and use language to produce original pieces in a variety of modes.

Prerequisites: English 9 or English Language Arts 9

Course Content and Timelines

The timelines suggested are based on a 10 month Fall course September to June. If you are taking a Spring/Summer course (5 months) or joining a course with less time left you will want to adjust your timing accordingly.

Unit 1: Thinking (8 weeks)

Unit 2: Communication (8 weeks)

Unit 3: Personal and Cultural Identity (8 weeks)

Unit 4: Personal and Social Responsibility (8 weeks)

****Only students who have done the activation assignment will be able to view subsequent material for the course. This is one of the unique features of D2L.**

What does this mean? Even if you are getting progress reports you are not considered an **active (official student)** until you have completed the activation assignment.

Course Materials

No textbook is required. Course content is delivered on our D2L platform by videos, online links and associated course content. Students will need to find a novel on their own.

Assessment Information

Topic	Course %
Communication	22%
Thinking	22%
Personal and Cultural Identity	22%
Personal and Social Responsibility	22%
Final Exam	12%

Assignments

Each unit contains multiple assignments within the lesson. Instructions for each assignment are contained within the lesson, along with information on how they will be assessed. Once the assignment is complete, the student uploads the assignment to the submission box for marking. Do not submit google doc links; take the time to save the file to your computer and attach it directly. Watch this video on submitting assignments: <https://www.youtube.com/watch?v=Cv1KOhABIBE>

Quizzes

Each unit contains one or more quizzes. The quizzes are designed as self-assessments for students to demonstrate understanding of the course content and curricular objectives. These do not have passwords so students are free to write anytime and often have multiple attempts to show mastery.

Reporting

Weekly Progress Reports

These are sent to both students and parents through the D2L website. These reports are sent via email and are based on information provided on course introduction forms. Please make sure your **profile** is up to date with this information.

Report Cards

These will be issued for the Fall term in November, March and June. For Spring/Summer only a final report card is issued in August.

These reports are available for Delta School District students on student and parent connect. For those not attending one of our high schools. Please call our Continuing Education office 604-940-5550 to receive a copy.

Course reports are based on only what has been submitted for the Fall until April 1st and for the Spring/Summer until July 15th. At this time, all missing assignments will count in grade calculations; this gives students a realistic picture of current course standings.

It is important when viewing report cards and progress reports up until this point that the amount of the course completed is taken into consideration. (ie. 90% standing in a course that is only 10% complete is very different than 90% in a course that is 80% complete).

Plagiarism

Plagiarism and Academic Dishonesty

Plagiarism is the unauthorized use or close imitation of the language and thoughts of another author and the representation of them as one's own original work, as by not crediting the author (Dictionary.com) <http://dictionary.reference.com/browse/plagiarism>

Plagiarism can be done either intentionally or accidentally. Regardless, it is an academic offence that carries with it varying levels of consequences – from a mark of zero for work submitted to expulsion from the course and/or on-line program. Plagiarism takes various forms: copying another's work, not citing another's original work, cutting and pasting from the internet and claiming the work as your own, allowing other students to copy and submit your work as their own, and so on. It is YOUR RESPONSIBILITY to be aware of the rules around using and citing other people's work.

Many excellent websites exist that can help answer questions about plagiarism. Here are a few examples:

<http://www.plagiarism.org/>

<http://www.grammarly.com/>

<http://www.englishclub.com/writing/plagiarism.htm>

<http://australianhelp.com/plagiarism>

If you are uncertain as to whether you may be plagiarizing someone's work, check with your teacher or consult the many websites that outline the rules.

If a student is found to have submitted plagiarized work, the Delta Access teacher will notify both the student and Delta Access administration to document the violation and to determine further consequences. Repeated occurrences of plagiarism will likely result in a final mark of "Failure" in the specific on-line course.
